6. DECISION-MAKING

A motion to bring business before the Sea Kayak Council for vote may be made by any one voting Council member. All motions must be seconded by another voting Council member to become a decision to be discussed or voted on..

Eligibility

Each branch Sea Kayaking Committee has one vote, held by the Sea Kayaking Committee Chairperson, or their proxy, known as the “voting Council member”. Each voting Council member shall be eligible to cast votes for all motions and other Council business. Each voting Council member may cast a single vote.

Proxy

In the event that a Sea Kayaking Committee Chairperson is unable to attend a meeting, they may delegate their proxy to another individual in attendance. A verifiable proxy may be in, but not necessarily limited to, the following formats: written, email, text message, or voicemail.

Quorum

A maximum of one voting Council member may be absent to form a quorum.

Voting

Motions pass by receiving 100% of the voting members, including delegated proxies and members not present, who did not abstain. Members may abstain from casting a vote with good reason.

Provisional Consent

In the case that one Sea Kayaking Committee is not represented at a meeting, the Council may choose to make the vote on the pending decision provisional of approval by the absent Sea Kayaking Committee. The absent committee must respond within 2 weeks of the request. Failure to respond is taken as consent.

Table

Any voting Council member may make a motion to table the decision until a specific future date. The Council is obligated to honor a motion to table a topic for up to 4 weeks. However, if the motion is to table the decision for more than 4 weeks, or if the topic has already been tabled, the Council will vote on whether and for how long to table the decision.

Calling the Question

Approved: August 18, 2022

Any voting Council member may make a motion to vote on the pending decision. A vote is then held to stop discussion and vote on the pending decision. If that passes, a vote is then held on the pending decision.

Inconclusive Outcomes

Any voting Council member may make a motion to seek support or input from the BLC on the pending decision. A vote to seek support or input is then held. If that passes, a request for support or input will be sent to the BLC.

Voting Electronically

The Sea Kayak Council may make decisions between meetings using email, Basecamp, or other electronic means. The process is as follows:

1. After sufficient discussion, a voting Council member poses the question: "Are we ready to vote electronically or would someone like a special meeting?"
 - a. If all members consent, an electronic vote is held.
 - b. If a member wishes to have a special meeting, the member schedules and publishes a meeting with at least 4-weeks' notice (this can be online, but must be open to the entire voting Council membership). Those present at the meeting will conduct a vote on whether to put the issue to vote during the special meeting or to conduct the vote on the issue at a later date.
 - c. If, after 7 days with no consensus to vote but no member requests a special meeting, the council will put the decision to an electronic vote.
2. An electronic vote must allow members 14 calendar days to cast their vote. Non-response or abstain are taken as consent.

7. MEETINGS

The Sea Kayak Council convenes annual or more frequent meetings called Sea Kayak Summits. Sea Kayak Summits are typically held in early February. Additional Council meetings may be held at the discretion of the Sea Kayak Council. In addition to voting Council members, attendees may include key activity volunteers and other committee members (at the discretion of their Sea Kayak Committee).
