

# Introduction to Backcountry Skiing

2022

Ski Dates are February through April (weather dependent) Course Fee: \$125 for Members

## *If you can:*

- Ski blue level runs with confidence, be in physical conditioning for uphill travel, and possess backcountry ski gear, then this is the activity for you!

Ski series consists of an evening introductory meeting with gear review and three backcountry ski outings. Ski outings include practicing avalanche beacon search, and learning ski techniques and style from each other.

If you attend all outings and attain AIARE 1 certification within 1 year you will earn an Introduction To Backcountry Skiing Badge.
