

TRIP FEEDBACK

Our leaders go to tremendous efforts to create positive experiences for the people on their trips. If there is something they did well, something that concerned you, or a creative idea you'd like to share - let them know! We want our volunteers to have the most meaningful experiences possible as they carry out our mission. Your thoughts will help us all be better Mountaineers!

**** All feedback you give shows anonymously to the trip leader unless you include identifying information. If you indicate that there was a safety incident, you will be prompted to complete an Incident Report Form, and the information you provide will be made available to the members of our Safety Committee. ****
