

## Leavenworth 2015 Course Schedule

*Thanks to everyone for your work on getting our request ready! Here are important things to remember as we head into our 2015 climbing season:*

### **Group party size MAX of 15 total (students and instructors)**

\*this means larger courses must spread out into distinct groups that operate at separate locations for the whole day

### **IF A FIELD TRIP IS NOT GOING TO RUN AT CAPACITY**

\*instructors need to let Katherine (katherineh@mountaineers.org), **7 business days prior**, so she contact the FS.

**\*This gives other Outfitter/Guides the option of working that weekend, and allows us to use those user days at some other point in the season.**

\*If we don't do this, we will loose those unused user days.

*Thank you for all your work on this, and for supporting your instructors in making sure we adhere to all FS regulations!*
